Leading Better Care / Releasing Time to Care Conference
Date for your diary: **24 March 2010 Thistle Hotel, Glasgow**

The Senior Charge Nurse (SCN) has a pivotal role in ensuring person centred, safe and effective clinical practice, managing and developing clinical teams and enhancing the patient experience.

Join us for this important celebration of Leading Better Care one year on. There will be an opportunity to meet Ros Moore, the new CNO and hear first hand about many of the initiatives from across NHSScotland.

This event is aimed at SCN's, Nurse Managers, LBC & RTC facilitators, Practice Development, Practice Education and facilitation roles.
